Thanks Mike – happy to invite. I suspect the cross-border element will be a key focal point.

Hope all is well otherwise with you!

Subject: PS-DHS Call Thursday @ 2:30pm - Ottawa Convoy

Good afternoon Everyone,

The US Department of Homeland Security has requested an unclassified call tomorrow with Public Safety and partners from 2:30-3pm to exchange views on the current situation in downtown Ottawa and cross-border elements.

Lesley Soper, DG National Security Policy Directorate at PS will be leading the call for the Canadian side; the US side will be led by Sam Vinograd, Acting Assistant Secretary for CT and Threat Prevention Policy.

We would very much welcome your presence or that of a delegated replacement who may be able speak to the current situation from your respective mandates, if called upon.

For your awareness, the following additional organizations have already/will be invited on the Canadian side as well:

Public Safety – NS Operations
RCMP
CSIS
PCO S&I

An invite will be sent out shortly with call details – grateful if you could please RSVP at your earliest convenience.

Finally, as you are likely already aware, the US advised it has recently released its National Terrorist Advisory System Bulletin (<https://www.dhs.gov/ntas/advisory/national-terrorism-advisory-system-bulletin-february-07-2022>), which it will likely speak to.

Many thanks,
Justin

Justin Chan
